CSIA Level 1 Certification

Who Should Take This Course?

The CSIA Level 1 Certification Course is open to anyone with an interest in learning about how to teach skiing. Candidates on the Level 1 Course will explore skiing technique and teaching methods on beginner up to intermediate terrain.

Prerequisites:

- 14 years of age on the first day of the Course
- Confident parallel skiing on Intermediate terrain

Am I Ready?

CSIA Level 1 Certification includes skiing and teaching assessment and evaluation. In order to help you achieve success on the Course, consider the following preparation, if available to you:

- Spend time working or volunteering at a Snow School, to experience entry level lessons in action
- Book a lesson at a Snow School with a current CSIA Course Conductor to enhance your skiing ability and gain insight into the Level 1 Standard

Description:

The CSIA Level 1 Course is designed to introduce and develop the basic skills for teaching new skiers of all ages with a focus on teaching children.

Time will be spent exploring:

- How to teach safely
- Canadian Teaching Approach and Lesson Planning
- CSIA Technical Concepts
- Ski Improvement
- Guest Service and Communication Skills

Candidates will receive coaching on their skiing, as well as feedback on their teaching skills, with the goal of reaching the Level 1 Standard in both of these areas. They will also receive suggestions and strategies for long-term development. The successful Candidate is certified to teach first-time skiers through Intermediate level students.

Duration:

3 days
