

Snow Park Level 2 Certification

Who Should Take This Course?

The Snow Park Level 2 Certification Course is for anyone who has completed the Snow Park Level 1 Certification and is building their advanced skills in the Terrain Park environment. You will receive suggestions and strategies for long-term development and gain insight into the next steps in the world of ski teaching.

Prerequisites:

- Snow Park Level 1 Certification
- Confident parallel skiing on variable and black terrain
- Strong experience in terrain park environment

Description:

In this program, you will be introduced to advanced lesson plans for Snow Park progression, people skills and a level of technical proficiency that Canadian Snow Schools recognize to be beneficial to their guests, the skiing public. The Snow Park Level 2 Certification Standard is constructed around these needs of the industry. The Program will empower instructors to master advanced park techniques and teach with a focus on safety. Tailored for multi-week programs, the course will help participants become leaders in park instruction at their resort with the skills and knowledge to guide students and other staff with confidence.

Candidates can expect to be exposed to a variety of terrain and features, snow conditions and teaching practice opportunities. Through guidance from your Course Conductor and participation with your fellow participants, you will be exposed to the concepts below:

Learning Outcomes:

- Advanced terrain park teaching skills
- Safe Teaching of advanced skills
- Lesson Planning and Delivery
- Technical Fundamentals
- Training multi-week program participants

Evaluated performance criteria include:

- Urban Rails (street setup)
- Rails with kinks
- Can teach switch-ups
- Can teach 540
- 360 (both left and right)
- Switch take-offs
- Spins with grabs

The features will include small, medium, and an introduction to large to encourage a well-rounded skill development. XL is not mandatory, the focus will be developing skills, not going on larger and potentially more dangerous features.

Next step

The Snow Park Level 2 Certification qualifies as a prerequisite for registration to Trainer Development Program, which opens the door to becoming a Course Conductor.

Duration:

3 days
